

Active Noughts & crosses!

Time to get active!

In doors or out doors set up a noughts and crosses game.

You can use anything long, 4 rolled up towels are great!

Lay two towels across the floor and two more over them to make a grid with nine spaces.

Now choose your 3 noughts and 3 crosses, you can use absolutely anything for this! Toys, pillows or teddies! Just make sure you can tell them apart.

With your partner stand as far away as possible from your grid and then take it in turns to run and pace your items down!

Why not try and add different challenges before you place your item down this could be related to lots of different subjects like:

Maths: Solve a quick equation

English: Spell a word

Science: Name different varieties of animals i.e. mammals, birds etc

Geography: Name countries beginning with a certain letter

Sports: 5 Start Jumps or a funny dance move!!

What you will need?

4 long items to make the playing service

6 items (3 noughts and 3 crosses)
