Animals Guess who

Work out who the animal is!!

Animals Guess who is a great game for animal lovers or nature enthusiasts!

Focussing on the Science National Curriculum, we have a fun, engaging and addictive game that helps categories, identify animals.

You will need the Enrich Education Animal Guess who work sheet. With a partner select an animal from the list and keep it a secret (don't tell your partner).

Take it turns with a partner to ask questions to try and work out the animal they have selected. Questions like do they have feathers, do they have scales, have they got 4 legs etc. Once you can discount animals cross them off your sheet.
